JABARI DAMANI BUCHANAN-RASHID

Columbia, SC | (000) 000-0000 | Jabarib@notreal.email.com

PROFESSIONAL SUMMARY

First-year Computer Science student at the University of South Carolina focused on learning Java, Python, and the basics of software development. I'm interested in software development and cybersecurity; I'm working toward a career in one of these fields.

EDUCATION

University of South Carolina – Columbia, SC
Bachelor of Science in Computer Science | Expected Graduation: May 2029

Ventura College – Ventura, CA | Northeastern Technical College – Cheraw, SC
General Education Coursework

SKILLS

- Python and Java (Beginner)
- Troubleshooting & Problem Solving
- Leadership & Teamwork
- Communication & Time Management

Projects

Java Coffee Hour Program (CSCE 145) | Created a basic Java program using input, loops, and if-statements. Practiced debugging and writing simple logic.

EXPERIENCE

United States Navy | SEP 2020 – SEP 2025

- Led teams of up to nine personnel performing maintenance and repairs on advanced systems.
- Trained and supervised junior technicians to improve safety and performance.
- Recognized for reliability, attention to detail, and leadership under pressure.
